1. Democracy Decentralization Coordination Meeting	To strengthen collaboration and shared understanding around decentralized democratic governance in Somaliland, SCAN convened a Democracy Decentralization Coordination Meeting in Hargeisa. The meeting brought together representatives from CSOs, local councils, government institutions, and community leaders to explore pathways for effective decentralization and citizen participation at the district level.	October 2025
2. Policy Dialogue on Electoral Accountability and Civic Engagement	Ahead of Somaliland’s upcoming elections, SCAN will convene key stakeholders to explore mechanisms that promote electoral integrity, citizen participation, and trust in institutions. The dialogue will focus on combating misinformation, improving voter education, and advancing inclusive representation for women, youth, and minority groups within the political process.	Oct 2025
3. Training Workshop: Social Media for Good Governance	This capacity-building workshop will equip CSOs, youth groups, and community advocates with digital tools to enhance their advocacy efforts. Through hands-on sessions, participants will learn how to design constructive social media campaigns, use data storytelling, and counter disinformation — turning digital platforms into effective tools for transparency and citizen engagement.	November 2025
4. Roundtable on Climate Justice and Community Accountability	SCAN will host a roundtable bringing together environmental experts, civil society leaders, and local authorities to discuss the intersection of climate change, governance, and accountability. The session will highlight community-led approaches to equitable climate adaptation, resource management, and resilience building, culminating in a set of policy recommendations for inclusive environmental governance.	November 2025
5. Annual SCAN Members’ Assembly and Learning Exchange	The annual members’ assembly will serve as a key accountability and learning forum for SCAN’s growing network. Delegates will review progress, update policies, and share best practices from regional initiatives. Interactive sessions and case presentations will foster peer learning, strategic planning, and strengthened collaboration across Somaliland’s civil society landscape.	November 2025
6. Public Dialogue Series: Voices of Inclusion	This series of public dialogues and radio discussions will amplify the voices of women, youth, and persons with disabilities in governance debates. By creating safe spaces for storytelling and dialogue, the series will shed light on barriers to inclusion and propose practical policy actions to ensure marginalized voices are meaningfully represented in decision-making processes.
